

Procedure for payment through the bank

The Belastingdienst (B/CN) has a bank account with all banks on Bonaire in order to keep your payment fees as low as possible.

Where can you find the payment reference?

Nearly all B/CN documents include a payment reference. You can find it at the top of the document which you receive from B/CN. You can find it behind the word '**betalingskenmerk**'. If you use this payment reference for your payment, B/CN guarantees that your payment will be processed correctly. In case there is no reference at the top of your letter, please state your CRIB number, the type of tax and which period the payment regards.

Payment via the bank can be effected in the following ways:

Via a local bank via online banking

- ▶ You can ask for the procedure at your bank. When making a payment for a tax assessment, please always state the correct **assessment number**. When making a payment for an ABB/LBB/OVB/KSB/OPB return, please state the correct **payment reference**. You can find it at the top of the document which you receive from B/CN, behind the word '**betalingskenmerk**'.

** Important: submit your tax return at B/CN.*

Payment via the service desk of your bank

- ▶ When making a payment for a tax assessment, please always state the correct **assessment number**. When making a payment for an ABB/LBB/OVB/KSB/OPB return, please state the correct **payment reference**.

You can find it at the top of the document which you receive from B/CN, behind the word '**betalingskenmerk**'. This means of payment involves bank charges.

** Important: submit your tax return at B/CN.*

Manual for the payment of various taxes:

How do I make a payment for motorrijtuigenbelasting (MRB)?

As of 1 July 2015 stickers will no longer be issued. When making a payment for motorrijtuigenbelasting (vehicle tax) via online banking or via the service desk of your bank, please always clearly state your crib number or name and vehicle registration number. You can keep your bank statement as proof of payment.

What should you do if you have a new car?

You should go to the insurance company and they will apply for a number plate at the OLB. You can subsequently transfer the amount for the number plate and the MRB to B/CN. Please always clearly state your crib number or name and vehicle registration number. After payment you can go to the OLB with the valid insurance certificate and the bank transaction receipt and/or your ID to collect your number plate.

Should you wish to obtain your number plate sooner, please contact B/CN, 'Bedrijfsvoering' department, for an accelerated procedure.

How do I make a payment regarding a payment arrangement?

When making a payment, please state the correct **payment reference** of your payment arrangement, this is stated on your letter.

How do I make payments for grondbelasting (land tax)?

When making a payment, please state your CRIB number followed by the correct **payment reference** as reference.

How do I make payments for long-term land lease?

When making a payment, please state your CRIB number followed by the correct **payment reference** as reference.

How do I make payments for ABB in case of import?

Make an (online) transfer into the account number of B/CN at your bank and please state the payment reference. You can find the **payment reference** for payments of ABB due in case of import on the import documents. This payment reference is stated in the 'document number' field and it always starts with an A or C followed by a number combination.

Can I make several payments at the same time through one transfer?

Please make separate transfers, this way you help us with error-free processing. If you make a payment via the service desk of your bank and you make collective payments, please make sure that all aforementioned numbers are stated clearly on the proof of payment. This way you help us to process the transaction without errors.
